Section 1: Introduction

1.1. Statement of Need and Purpose

The Challenge Grant program is authorized by section 420.622(4), Florida Statutes, to provide grant funding to lead agencies of homeless assistance Continuums of Care (CoC). To qualify for the grant, a lead agency must develop and implement a local homeless assistance CoC plan for its designated planning area.

The CoC plan must implement a coordinated assessment or central intake system to screen, assess, and refer persons seeking assistance to the appropriate service provider. The lead agencies may allocate the grant funds to programs, services, or housing providers that support the implementation of the local CoC plan.

This grant solicitation describes the Department's instructions that govern the grant application process, including the scoring process for applications in accordance with the statutory preference criteria stated in section 420.622(4), Florida Statutes.

1.2. Applicant Qualifications

The only entities that may submit an application for the Challenge Grant shall be the lead agencies of the CoC, as designated pursuant to section 420.624(6), Florida Statutes, by the Office on Homelessness (Office) for specified catchment areas within the state.

The designation of the lead agencies by the Office has been done in consultation with the U.S. Department of Housing and Urban Development (HUD), the local homeless coalitions within Florida, and those agencies that were identified as the lead agency in the most recent application for HUD homeless grants. The list of designated lead agencies by catchment area is attached in EXHIBIT 1.

Any applications received from other entities not on the list of designated lead agencies shall be returned, without review, to the entity that submitted it.

Lead agencies are required to register in MyFloridaMarketPlace (MFMP) as a vendor. Registration is required because the Department of Financial Services uses data from MFMP to establish the payment data file for purposes of disbursing state funds.

Funds disbursed to lead agencies as a result of these grants are financial assistance. In accordance with rule 60A-1.032(l)(i)1, F.A.C., disbursements of financial assistance to recipients of state financial assistance are exempt from paying the MFMP transaction fee.

1.3. Funding Cycle and Funds Availability

For SFY 2015-16, the Department received \$3,800,000 in Challenge Grant funding available for allocation to lead agencies for the CoC planning areas.

The maximum grant award a lead agency may receive is \$200,000 for SFY 2015-16. Applications may be submitted for any amount up to, but not exceeding \$200,000. The

lead agency shall clearly identify a budget for those uses or activities to be funded, and shall list the projects or activities to be funded.

Grant funding shall be expended on eligible services and programs by June 30, 2016. The grant funds may be used to carry out the services or programs identified in the local homeless assistance CoC plan, as certified by the lead agency.

Section 2: Scope of Grant Activities

2.1 Program and Financial Requirements

2.1.1 Definitions

The definitions set forth in section 420.621, Florida Statutes, are applicable to the Challenge Grant program.

2.1.2 Program Need

Challenge Grant funding shall be used locally to assist those individuals or households who are homeless, or those at risk of becoming homeless. The funds may be used to assist those clients with an Annual Median Income (AMI) of up to fifty percent (50%). The intent of the grant is to help to implement the local homeless assistance plan, and to help the community reach the goals and objectives outlined in the CoC plan.

In addition, the state grant is intended to be used in concert with the private funding contributed to local homeless service agencies to address the needs of the persons who are homeless in the planning area.

The overall goal of the grant is to use the Challenge Grant to partner with local agencies to reduce homelessness in Florida. The grant recipient shall evaluate the success of the grant award using the performance measures described in section 2.1.4 of this solicitation.

2.1.3 Financial Information

Section 420.622(4)(a), Florida Statutes, requires grant recipients to provide matching funds or in-kind support in an amount equal to the grant requested. See EXHIBIT 4. All grants must be obligated by an executed grant agreement and all grant funded activity or project services should be completed or provided by June 30, 2016. See the list of acceptable state expenditures at the following webpage:

http://www.myfloridacfo.com/aadir/reference_guide/Reference_Guide_For_State_Expenditures.pdf

All recipients of Challenge Grants are required to submit quarterly reports on progress and performance until all grant funded activities are completed.

The lead agency may use the grant funds to fund any activity or project that is clearly and specifically identified in the written CoC plan. To be an eligible activity or use, the lead agency shall execute a written certification that the use is contained in the plan and shall provide evidence of that inclusion in the plan with the certification. **The plan**

should be sufficiently detailed so as to clearly denote the use, the agency performing the service, and that state funds will be sought to support the use. If the project is NOT included in the plan, the CoC must submit an amendment to the plan, detailing the project to be included.

The application may contain one or more activities to be funded, provided each and every one of the activities proposed for funding is specifically identified in the CoC plan. All grant funds shall go to activities that directly benefit homeless persons or persons at risk of homelessness. Activities that do not directly benefit homeless persons may include, but are not limited to, public education, training, planning, and capacity building. Homeless Management Information Systems (HMIS) may be claimed to be a direct benefit used only to the extent that the system is used as a case management tool to coordinate services among two or more local agencies serving the homeless person.

The lead agency's 2015 CoC plan must be submitted with the grant application and filed with the Office. The plan may be the HUD Consolidated Plan, the local Annual Action Plan, or any plan that the lead agency helped draft that addresses the homelessness needs in the specific area (including the activity to be funded). The application must clearly enumerate the activities or projects to be funded, the purpose of each, the amount allocated for each, and the entity to carry out that use or activity. The lead agency shall be fiscally responsible for all grant funds and for ensuring that funds are expended only for eligible activities.

Performance monitoring of the grant activities is a responsibility of the lead agency. Upon completion of the grant funded activities, the lead agency shall provide a written assessment of the grant's effectiveness in furthering the CoC plan.

Subsection 420.622(4)(d), Florida Statutes, authorizes a lead agency to spend a maximum of eight percent (8%) of its grant award on administrative costs. Administrative costs must be used by the lead agency for staff salary, benefits, or operating expenses directly related to the management and oversight of this grant. In accordance with section 287.14, Florida Statutes, use of the Challenge Grant to purchase or continuously lease any motor vehicle is prohibited.

2.1.4 Grant Outcome Evaluation and Performance Measures

Each lead agency receiving a grant under this solicitation must provide to the Office on or before July 31, 2016, a thorough evaluation of the effectiveness of the grant in achieving its intended purpose. At a minimum, this written evaluation shall address the following:

- a. Implementation of the CoC Plan. The lead agency shall evaluate the effectiveness of the grant to further the CoC plan, including the extent to which the grant accomplished plan objectives or actions steps, or resolved unmet needs specified in the plan. This must include the three outcomes included in EXHIBIT 5.
- b. Planned versus Actual Services Provided. The evaluation shall compare the proposed number of homeless persons to be served by grant funded activity as enumerated on EXHIBIT 4, Budget Form, to the actual number of persons

served. The lead agency shall provide explanation for any activity that failed to achieve the target service level.

- c. State and Federal Performance Objectives. The lead agencies shall report on their CoC performance on the outcomes listed below. The data must include the CoC plan performance at the time of the grant application submission, as well as the CoC's level of performance as of June 30, 2016 on these criteria:
 - i. HMIS Implementation.
Report the total number of homeless beds, and the total number of those beds for which data is being entered into HMIS on clients served by those beds for the continuum.
 - ii. Project Performance.
Report the number of persons receiving SSI and SSDI income.

The Office on Homelessness will provide a template for this Evaluation and Performance criteria.

2.2 Administrative Requirements

2.2.1 Order of Precedence of Documents

Multiple documents shall comprise the complete grant agreement, including the solicitation, the submitted application and grant award letter. In the event of a conflict between the provisions of the documents, the award letter shall take precedence. The remaining order of precedence shall be the approved budget, the grant solicitation, and finally the recipient's application.

2.2.2 Grant Agreement Terms and Conditions

Applicants are directed to review the grant award letter, standard terms and conditions, and other forms specified in Section 5. The recipient shall be required to execute the Certification Regarding Lobbying Form, CF 1123. If the grant funding will be used to make improvements to real property, the Department shall be granted a security interest to the property being improved. See EXHIBIT 14 for sample Lien Agreement.

2.2.3 Audit

The grant is subject to the state single audit requirement. The grant recipient has the responsibility to track the amount of financial assistance received during a single fiscal period, to determine whether the state single audit requirement applies to the recipient. Applicants are directed to review the Audit Attachment in EXHIBIT 13.

Following the close of the completeness review, the Department's grant evaluators will score the applications submitted to the Office. The Office will compile the results of the evaluators' scores, and provide the Secretary, or designee, with the recommended ranking from the evaluators, along with other considerations noted by the Office on eligibility and budget issues.

The Department will award grants based on the final selection by the Secretary, or designee, who will consider the evaluation criteria set forth in this solicitation. No scoring by the Secretary, or designee, will be required to make the selection and award decision. The scoring and ranking by the evaluators shall serve as a recommendation only.

The Department shall provide for a process for appeals of grant awards resulting from this grant solicitation. Appeals of grant awards resulting from this grant solicitation shall be subject to the procedures described in section 120, Florida Statutes.

3.2 Evaluation Process and Criteria

3.2.1 How the Applications Will Be Evaluated

Upon receipt of the application, the Office will log it in as received. The initial step in the review and evaluation process shall be to review each application for completeness. The grant manager will use the completeness checklist (EXHIBIT 2) to determine if all required documents are contained in the application, and to check that the paperwork is

complete, with no blanks, and signed where required. Applicants will be notified by the Office of items missing. The applicant shall be given three (3) work days to submit the items noticed as incomplete.

To score the applications, the Department shall appoint a three (3) person team consisting of persons who are knowledgeable in the program area, and must consist of Department employees. Reviewers shall be free of conflict of interest with either potential applicants or providers of eligible activities or project uses of the Challenge Grant.

The rankings from the evaluators shall be provided as a recommendation to the Secretary, or designee, along with the input from the Office on eligibility issues and budget reviews.

3.2.2 Completeness Criteria and Correction

The Office shall initially review applications received to determine whether the applications are substantially complete. This will address whether required forms are present and properly signed, that the proposal appears to have addressed the application contents required, and that there is not an easily discernable or obvious error that may be readily corrected.

Should the Department detect such an error, the applicant will be afforded three (3) work days during which corrective action to adjust the application may be taken.

The Department is under no obligation to detect or offer the opportunity for such completeness and correction. The Department's election to afford this opportunity should not, and does not give rise to an expectation of completeness or application correction.

The applicant has the sole responsibility for determining whether to submit the missing or incomplete items. If the applicant elects to submit incomplete items, the applicant bears sole responsibility for the delivery of the items to the Department and for the content of the items submitted, if any. The Department has elected to afford an opportunity for applicants to correct incomplete items, but the applicant is solely responsible for any response to the Department's notice. The applicant is also solely responsible for the content, quality, and sufficiency of any material submitted to the Department.

During the correction period, the applicant is permitted only to take action to correct completeness errors cited by the Department, and not to supplement their application for the purpose of improving competitiveness, or to add material for any other purpose.

3.2.3 Description of Scored Criteria

The application shall be scored on the three (3) statutory preference criteria described in section 420.622(4), Florida Statutes:

- Ability of the CoC to provide quality services to homeless person;

- Ability to leverage federal homeless assistance under the McKinney-Vento Act, and private funding for services to the homeless;
- CoC planning areas with the greatest need for providing housing and services to the homeless, relative to the population of the planning area.

Section 4: Instructions for Preparation and Submission of Applications

4.1 Submitting an Application to the Department

Each designated lead agency shall submit no more than one (1) application in the fiscal year solicitation. If more than one application is submitted, all applications received from that lead agency shall be rejected and returned to the lead agency without review.

All applications must be received by the Department in the Office on Homelessness, 1317 Winewood Boulevard, PDHO, Building 3, Room 201, Tallahassee, Florida 32399-0700, **by 3:00 p.m, Eastern Time, on September 1, 2015**. This deadline shall be formally noticed in the solicitation of applications as published on the VBS.

Applications received after this deadline shall be rejected and returned to the lead agency applicant without review. There shall be NO EXCEPTIONS or WAIVERS. The applicant is exclusively responsible for the delivery of the application to the Department. Applications must be received in the Office by the deadline. Applicants should make sure that if the application is mailed or sent by courier service that they allow adequate time for the application to be delivered to the Department. The Department will not entertain appeals based on the failure of a delivery service to make timely delivery.

All applications received shall be date and time stamped upon receipt in the Office. The Office will maintain a log to reflect the receipt of each application. No faxed or electronic delivery shall be permitted for submission of applications.

The lead agency applicant shall submit an original signed application plus two (2) photocopied applications to the Department. Failure to submit an original signed copy, plus the required number of copies (2) following the completeness review period, shall result in the rejection of the application. The original signed application shall be clearly labeled on the cover sheet "ORIGINAL" to identify the original signed application.

All applications shall be on paper of the size 8½ x 11, be provided in the order described below, and the application shall be bound with a table of contents clearly showing the order of the material, and with pages clearly numbered. Where referenced documents are to be included in the application, they shall be inserted in the application immediately following the section of the application in which they are referenced.

4.2 Content of the Application

Each application shall consist of the following information and shall be bound in the following order:

TAB 1 - Applicant Information Request and Completeness Checklist

The lead agency shall provide complete the Applicant Information Request form in EXHIBIT 3. A duly authorized official of the lead agency shall sign this form.

Applicants shall complete the application Completeness Checklist using the form in EXHIBIT 2, and shall include the completeness checklist in the application immediately following the Applicant Information Request.

TAB 2 - Budget

The budget shall follow the forms contained in EXHIBIT 4, and must clearly delineate the following for each proposed activity or project:

- (a) The activity or project use.
- (b) Amount of grant for each project/activity.
- (c) Name of the provider entity to carry out the activity or use.
- (d) Whether this is an existing service or a new service to fill an unmet need.
- (e) Number of homeless persons served.
- (f) Estimated expenditure of grant funds by quarter.

TAB 3 - Certification of Consistency with CoC Plan.

The lead agency shall provide a letter on agency letterhead that shall be signed by the same duly authorized official that signs the cover letter certifying that each use is specifically identified within the CoC plan. This letter shall list each use proposed for funding along with the specific citation of where in the plan this activity or use is described in the plan. This reference should cite the section, page, project list, or other clearly identifiable reference to the plan. Copies of applicable portions of the written plan or adopted amendment shall be attached to the letter highlighting the specific use citations, which clearly denote the use, the agency to perform the service, and that state funds will be sought to support the use. **Failure to properly document the consistency of any activity proposed for funding shall make that activity ineligible for the grant.**

The CoC plan must be included behind this TAB.

TAB 4 - Narrative

The lead agency shall provide a narrative that describes all of the activities to be funded, the homeless populations to be served, and the outcomes expected to be achieved for each activity proposed to be funded. The narrative shall clearly state how the Challenge Grant will further the implementation of the CoC plan, and help to reduce homelessness in your community.

Ability to Complete Activities Outline

The lead agency shall document the ability of the CoC agency(s) to complete the funded activities by June 30, 2016. This should include timelines of critical tasks to be accomplished for each use; monthly or quarterly spending plans; proposed draw down schedules; and reporting schedule for outcomes achieved. This narrative should address the status of the selection of the local providers of activities; the status of needed subcontracts between the lead agency and the provider entities; the identification of homeless clients to be served; and preparations underway to allow for the timely obligation and expenditure of these funds.

Future grant awards may be subject to the timely completion of all grant funded activities.

TAB 5 -Quality of Services

The lead agency shall document the actions taken by the CoC in providing quality services, as described in EXHIBIT 5. The certification by the lead agency of quality of services on the form in EXHIBIT 5 shall be signed by the lead agency. **Failure to properly document the issue shall result in no points being assigned to that quality of service issue.**

The applicant's total score for these rating criteria will be the sum of points awarded for all of the quality of service indicators. The applicant and CoC achieving the highest number of points for most quality of service indicators achieved shall be ranked number one (1). The applicant having the second highest number of points will be ranked number two (2), and so on until all applicants are ranked.

The evaluation team shall award points only to the extent that the documentation affirms the quality of service standard was attained.

Leverage of McKinney-Vento Act and Private Funds.

The lead agency shall list the funding received in the period from January 2013 through June 2015, by grant award or private funder. The list shall clearly show each individual grant or receipt of private cash, which clearly references the item on the list. The lead agency shall provide a signed certification of the total of funding leveraged. This listing shall follow the form on EXHIBIT 7.

The lead agency shall list on the form in EXHIBIT 7 all funding received by organizations participating in the CoC from grants authorized under the McKinney-Vento Homeless Assistance Act and from private sources (non-governmental) for homeless services within its catchment area. The list shall be limited to those grants received or private cash received within the period from January 2013 through June 2015.

For grants, "received" shall be defined as the total amount of the grant award as reflected on the **fully executed grant award letter from the grantor agency as dated within the above stated period.** Grant award letters with electronic signatures are acceptable.

For private funds, the amount received shall be the actual amount of cash received during the period (January 2013 through June 2015) for direct services targeted to

homeless persons. In-kind services or donations of goods or services shall not be eligible to be claimed as leverage. **The amount of cash received for service to the homeless shall be evidenced by a letter on agency letterhead, signed by the chief executive officer, stating the amount of cash received for homeless service, and the specific homeless services supported by that cash.**

Lead agencies are directed to the following programs authorized under the McKinney-Vento Homeless Assistance Act, for claims of grant funding leveraged.

	<u>Program Name</u>	<u>CFDA</u>	<u>Federal Agency</u>	<u>Eligible Grantees</u>
1.	Homeless Veterans Reintegration Program	17.805	HHS	Dept. of Labor grant award to community agency
2.	Healthcare for the Homeless	93.224	HHS	HHS grant award to local government or non-profit agency
3.	Projects for Assistance in Transition from Homelessness (PATH)	93.150	HHS	DCF award or contract specifying amount of PATH dollars to community agency
4.	Education for Homeless Children & Youth	84.196	Educ.	FL Dept. of Education grant award to local school district
5.	Emergency Solutions Grant	14.231	HUD	HUD grant award to unit of local government, or DCF award to non-profit agency
6.	Section 8 Moderate Rehab, Single Room Occupancy	14.249	HUD	HUD grant award to public housing authority or CoC lead agency
7.	Emergency Food and Shelter	97.024	FEMA	National office of United Way award to local United Way agency
8.	Shelter Plus Care	14.238	HUD	HUD grant award to project sponsor or to CoC lead agency
9.	Supportive Housing Program	14.235	HUD	HUD grant award to project sponsor or CoC lead agency
10.	HUD-Veterans Affairs Supportive Housing (HUD-VASH)	14.871	HUD	HUD grant award to CoC lead agency

Failure of the lead agency to execute the certification of leverage shall cause the application to be ranked last on the leverage preference criteria.

The amount of leveraged grant, as certified by the lead agency, shall be divided by the population of the continuum's catchment area, to calculate a leverage ratio of McKinney-Vento grant. Likewise, the amount of private cash received for direct homeless services, as certified by the lead agency shall be divided by the population of the continuum's catchment area, to calculate a leverage ratio of private dollars per 1000 population.

The ranking of the applications shall be based on the two leverage ratios calculated. The application with the highest ratio of McKinney-Vento grants per thousand persons shall be ranked number one (1) on this factor. The next highest ratio of McKinney-Vento grants will be ranked two (2) and so on until all applications are ranked.

Similarly, all applications will be ranked on the private cash ratio, with highest ratio ranked number one (1). The second highest ratio of private cash is ranked number two (2) and so on.

Homeless Need

The lead agency shall complete the form on EXHIBIT 8, using the data from its 2015 PIT Count, and the census population data from EXHIBIT 9 and the Department of Education (DOE) count from EXHIBIT 10. The lead agency shall provide a signed certification on the data used from the homeless population chart on EXHIBIT 8.

The lead agency shall add the data contained in the CoC 2015 PIT count and the number of homeless based on the Florida Department of Education (DOE) count. This total number of homeless persons shall include both those sheltered and unsheltered in the catchment area.

The lead agency shall complete and execute the certification on the need form, EXHIBIT 8. In the event an applicant fails to execute the certification, the application shall be ranked last on the need statutory criteria.

EXHIBIT 9 provides the total population by continuum in 2010. The resultant calculation shall establish a ratio of homeless population per 1000 population for the catchment area as documented using the form found in EXHIBIT 8.

The review team shall compare all eligible applicants to determine the catchment area with the highest ratio of homeless persons per 1000 population. This application shall be ranked number one (1). All other applicants shall be ranked in descending order with the second highest need ratio ranked second, and so on until all applicants are ranked.

In the event two (2) or more applicants have the same need ratio, they shall be ranked equally in the rank order, with their rank score being the average score of the two (2) or more rank places. Example: Two (2) applicants have the same need ratio of 1.0

homeless persons per 1000 population. Ten (10) applicants have higher ratios. The two (2) applicants would be ranked at 11.5, averaging the number 11 and 12 rank order places.

TAB 6 – Additional Forms

- MyFloridaMarketPlace Registration
- EXHIBIT 11, Certification Regarding Lobbying

4.3 Final Ranking and Recommended Grant Amounts

The evaluators shall establish a final ranking by totaling the rankings in the three (3) preference criteria outlined above. For example, if the application is ranked number seven (7) in quality of service, number three (3) in leverage, and number six (6) in need, its total ranking score is sixteen (16). The application with the lowest combined ranking score of the three (3) reviewers shall be the top ranked application.

In the event of a tie in the total ranking score, the applicant that was ranked higher on the catchment area need preference criteria in comparison to the other application shall be ranked higher.

The total grant funding available for award is \$3,800,000. The amount of grant award shall be the total amount of eligible uses requested, up to \$200,000. The top ranked application shall be funded first, with each subsequent ranked application awarded until the grant amount is exhausted. The Department reserves the right to make grant awards in amounts less than the requested amount in the event that: (1) uses proposed are deemed ineligible by the Department, or (2) that the grant funding remaining available is less than the amount of the grant request.

Lead agencies receiving grant awards shall agree to participate in the Offices' process to develop standardized data collection methods and the creation of a homeless management information system. Further, grantees shall be required to submit quarterly reports of performance, until grant funded activities are completed.

Section 5: Grant Agreement, Forms, and Reports

5.1 Grant Agreement, Terms and Conditions

The grant agreement shall consist of the grant award letter, the standard contract, an approved budget, the grant solicitation, and the recipient's application.

AUDITS

The administration of resources awarded by the Department of Children & Families to the provider may be subject to audits as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with OMB Circular A-133 and Section 215.97, F.S., as revised, the department may monitor or conduct oversight reviews to evaluate compliance with contract, management and programmatic requirements. Such monitoring or other oversight procedures may include, but not be limited to, on-site visits by department staff, limited scope audits as defined by OMB Circular A-133, as revised, or other procedures. By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures deemed appropriate by the department. In the event the department determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the department regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the department's inspector general, the state's Chief Financial Officer or the Auditor General.

AUDITS

PART I: FEDERAL REQUIREMENTS

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.

In the event the recipient expends \$500,000 or more in Federal awards during its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. The recipient agrees to provide a copy of the single audit to the Department's Single Audit Unit and its contract manager. In the event the recipient expends less than \$500,000 in Federal awards during its fiscal year, the recipient agrees to provide certification to the Department's Single Audit Unit and its contract manager that a single audit was not required. In determining the Federal awards expended during its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from the Department of Children & Families, Federal government (direct), other state agencies, and other non-state entities. The determination of amounts of Federal awards expended should be in accordance with guidelines established by OMB Circular A-133, as revised. An audit of the recipient conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part. In connection with the above audit requirements, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.

The schedule of expenditures should disclose the expenditures by contract number for each contract with the department in effect during the audit period. The financial statements should disclose whether or not the matching requirement was met for each applicable contract. All questioned costs and liabilities due the department shall be fully disclosed in the audit report package with reference to the specific contract number.

Single Audit Information for Recipients of Recovery Act Funds:

(a) To maximize the transparency and accountability of funds authorized under the American Recovery and Reinvestment Act of 2009 (Pub. L. 111-5) (Recovery Act) as required by Congress and in accordance with 2 CFR 215.21 "Uniform Administrative Requirements for Grants and Agreements" and OMB Circular A-102 Common Rules provisions, recipients agree to maintain records that identify adequately the source and application of

Recovery Act funds. OMB Circular A-102 is available at <http://www.whitehouse.gov/omb/circulars/a102/a102.html>.

(b) For recipients covered by the Single Audit Act Amendments of 1996 and OMB Circular A-133, “Audits of States, Local Governments, and Non-Profit Organizations,” recipients agree to separately identify the expenditures for Federal awards under the Recovery Act on the Schedule of Expenditures of Federal Awards (SEFA) and the Data Collection Form (SF-SAC) required by OMB Circular A-133. OMB Circular A-133 is available at <http://www.whitehouse.gov/omb/circulars/a133/a133.html>. This shall be accomplished by identifying expenditures for Federal awards made under the Recovery Act separately on the SEFA, and as separate rows under Item 9 of Part III on the SF-SAC by CFDA number, and inclusion of the prefix “ARRA-” in identifying the name of the Federal program on the SEFA and as the first characters in Item 9d of Part III on the SF-SAC.

(c) Recipients agree to separately identify to each subrecipient, and document at the time of subaward and at the time of disbursement of funds, the Federal award number, CFDA number, and amount of Recovery Act funds. When a recipient awards Recovery Act funds for an existing program, the information furnished to subrecipients shall distinguish the subawards of incremental Recovery Act funds from regular subawards under the existing program.

(d) Recipients agree to require their subrecipients to include on their SEFA information to specifically identify Recovery Act funding similar to the requirements for the recipient SEFA described above. This information is needed to allow the recipient to properly monitor subrecipient expenditure of ARRA funds as well as oversight by the Federal awarding agencies, Offices of Inspector General and the Government Accountability Office.

PART II: STATE REQUIREMENTS

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

In the event the recipient expends \$500,000 or more in state financial assistance during its fiscal year, the recipient must have a State single or project-specific audit conducted in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. The recipient agrees to provide a copy of the single audit to the Department’s Single Audit Unit and its contract manager. In the event the recipient expends less than \$500,000 in State financial assistance during its fiscal year, the recipient agrees to provide certification to the Department’s Single Audit Unit and its contract manager that a single audit was not required. In determining the state financial assistance expended during its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Children & Families, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

In connection with the audit requirements addressed in the preceding paragraph, the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 or 10.650, Rules of the Auditor General.

The schedule of expenditures should disclose the expenditures by contract number for each contract with the department in effect during the audit period. The financial statements should disclose whether or not the matching requirement was met for each applicable contract. All questioned costs and liabilities due the department shall be fully disclosed in the audit report package with reference to the specific contract number.

The Sub-Grantee and any of the undersigned having any interest therein also hereby grant to the Department a security interest under the Florida Uniform Commercial Code-Secured Transactions, Chapter 679, F.S., in all fixtures; plumbing, heating, air conditioning and other equipment; building materials, appliances, and floor and window coverings, located on and/or used in connection with the Property.

This instrument is given to secure (a) the payment and performance of all obligations of the Grantee under the Grant Agreement, (b) the payment and performance of all obligations of the Sub-Grantee under any agreement governing the sub-grant, (c) the Department's Interest (as hereafter defined) in the Property, and (d) the payment and performance of all obligations hereunder. 1. To keep the Property insured by such insurers, against such perils, in such forms (including without limitation forms that include loss payable provisions acceptable to and in favor of the Department and naming the Department as an additional insured), with such provisions requiring the insurer to give the Department at least 30 days prior written notice of any changes in the policy or coverage or any intent to cancel or not renew the policy, and for such amounts, as the Department may from time to time approve, determine, and advise Grantee of and shall furnish to the Department evidence thereof that is satisfactory to the Department.

Sub-Grantee and the Grantee shall each obtain a blanket fidelity bond, in the amount of the Grant, issued by a company authorized and licensed to do business in this state and approved by the Department, which will reimburse the Department in the event that anyone handling the Grant moneys either misappropriates or absconds with the Grant moneys, and in form requiring the surety to give the Department at least 30 days prior written notice of any intent to cancel or not renew the bond. All employees handling the Grant moneys must be covered by the bond.

15. If any obligation hereunder, under the Grant Agreement, or under any agreement governing the sub-grant is not timely paid or performed, or in the event of any breach of any warranty hereunder, under the Grant Agreement, or under any agreement governing the sub-grant, in addition to all other remedies, the Department may, but is not obligated to, pay or perform the obligation and cure the breach and the costs thereof shall bear interest at the highest rate permitted by law. Such costs and interest thereon shall be secured by this instrument and be immediately due and payable and paid by Sub-Grantee and/or Grantee to the Department upon demand by the Department.

16. If any action or proceeding is commenced that in the opinion of the Department would materially affect the Department's interest in the Property, the Department may, but is not obligated to, take any actions the Department deems appropriate to protect its interest in the Property and the costs thereof shall bear interest at the highest rate permitted by law. Such costs and interest thereon shall be secured by this instrument and be immediately due and payable and paid by Sub-Grantee to Grantee and by Grantee to the Department upon demand by the Department.

18. Upon **(a)** the failure of any obligation under this instrument, the Grant Agreement, or any agreement governing the sub-grant, to be timely paid and performed and/or the breach by the Grantee and/or Sub-Grantee of any term or condition under this instrument, the Grant Agreement, or any agreement governing the sub-grant; **(b)** the death or dissolution of any of the undersigned;
